

Dear Friends:

## NOTABLE RESEARCH OF THE WEEK

### Changes in Divorce Ideation

Roughly half of those thinking about divorce—whether “serious” thinkers or “soft” thinkers”—shift their view within a year. Divorce ideation does not indicate that divorce is imminent, [according](#) to researchers at Brigham Young University.

### Update: Effects of Religious Practice on Education Attainment

Religious practice—particularly among Christians--increases educational attainment and improves habits associated with educational success. [Read more...](#)

## BLOG: Preparing for the Rebuilding of America (and Western Civilization)

Western civilization is collapsing very quickly --- silently in Italy and other European countries, as they gradually disappear, demographically, before our eyes --- raucously in US. Our debate may be the first stage of the next great awakening. It is not yet a response but there is a widespread awakening to the level of the crisis and a growing desire to do something about it.
