Dear Friends:

[A GOOD START TO THE NEW YEAR](#)

[VERY GOOD NEWS ON ABORTION:](#)

Between 2008 and 2014 abortion has dropped across the board on all the measures reported (see chart above). It dropped most among teenagers (46%) and very significantly (30%) among 29-24 year old women who are the cohort most likely to abort. For the full article [go here](#).

[SUSTAINED GOOD NEWS ON TEENAGE SEXUAL ACTIVITY](#)

During much the same period: rates continues to drop across the board and especially among black teenagers (See chart above). For the full report [go here](#).

[BLOG: This is Very Good News, Very Big News](#)

Something is going well in America, and the public evidence is that love, prayer, and truth -- all combined ---are changing America for the good on life/abortion and sexual activity. Modernity is capable of reform. The drift is not all downward by any means. [Continue Reading...](#)

[STORY: Changing Views on Abortion: Norma McCorvey's Story](#)

The Jane Roe of 'Roe vs Wade' was really [Norma McCorvey](#), but she can no longer be the poster child for the pro-abortion movement she once was, because she is a hallmark example --- and given her role in the history of abortion law --- an iconic example of God's way of changing hearts. [Continue reading...](#)

With an eye to the child, the future of America,

Pat Fagan, Ph.D.
