

MARRI FINDINGS

ON FAITH & FAMILY

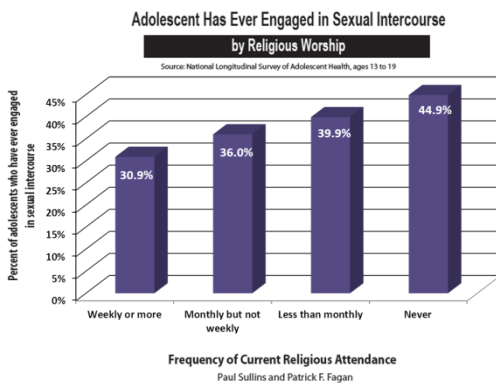

A DEEPER LOOK AT BALTIMORE

More about the Relationship between Blacks and Their Government in Baltimore

Senior Fellow, Henry Potrykus, has produced new statistics on the family life and poverty situation that black children in Baltimore find themselves in. ([The full report is found here](#))

MAPPING AMERICA

The Percentage of Adolescents Who Have Ever Engaged in Sexual Intercourse by Religious Worship

Wave one of the National Longitudinal Survey of Adolescent Health (Add Health) found that teenagers who worshipped weekly were least likely to have engaged in sexual intercourse. ([Read more here](#))

THE CHURCH AND CHARITY

Religious Practice and Charitable Volunteering

Social science research details that those who worship regularly are more than twice as likely to volunteer for charities; they are also 32 percent more likely to donate monthly than are their secular Counterparts. ([Read more here](#))
