

MARRI FINDINGS

ON FAITH & FAMILY

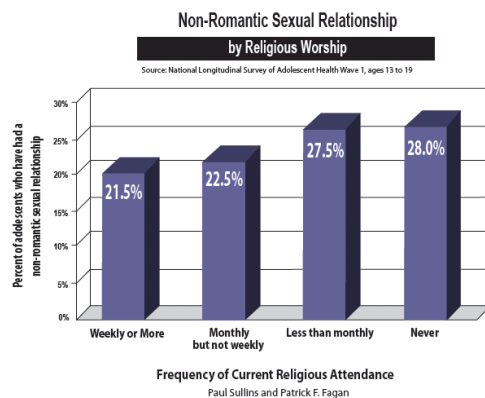

THE FIVE BASIC INSTITUTIONS OF SOCIETY

The Widespread Impact of Marriage on Society

Two weeks ago I made a presentation on The Family as The Agent of Economic Development and the Fundamental Safety Net at a conference at the United Nations. ([Read about it here.](#))

MAPPING AMERICA

Non-Romantic Sexual Relationships by Religious Worship

Wave one of the National Longitudinal Survey of Adolescent Health (Add Health) found that adolescents aged 13 to 19 that worshipped weekly or more were least likely to have had a non-romantic sexual relationship. ([Read more here.](#))

RELIGION AND MARRIAGE

Religion and Marital Satisfaction

Religious practice positively affects the marriage relationship. Social science research demonstrates many of the benefits that worship of God brings to spouses. Read the full handout [here](#).
