MAPPING AMERICA

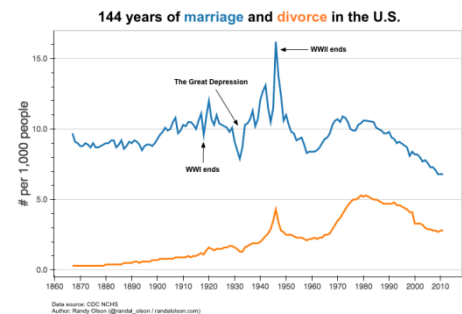

Teen Pregnancy and Family Response: Analysis by Religious Worship

Wave one of the *National Longitudinal Survey of Adolescent Health (Add Health)* found that adolescents aged 13 to 19 in families that worshipped weekly or more were most likely to “strongly agree” that a pregnancy would embarrass their family. [Read more here.](#)

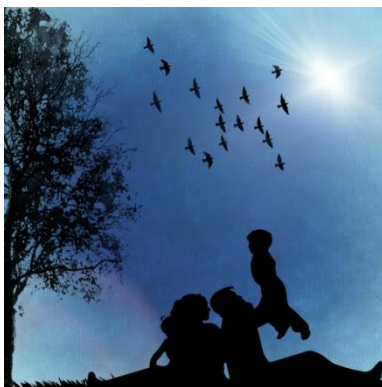

NOTABLE RESEARCH

144 years of marriage and divorce in 1 chart

Dr. Randy Olson recently released data (reported in the Washington Post) examining the rise and fall of marriages and divorces over the last 144 years. [Read the entirety of Randy Olson’s report here.](#)

THE ENVIRONMENT AND THE FAMILY

Pope Francis: The Family is Key to Our Environment

Marriage and family are the necessary foundations of the road towards a sound ecology and away from environmental degradation, contends Pope Francis in his recent encyclical *Laudato Si*. [Read the entire blog post here.](#)
