

# MARRI FINDINGS

## ON FAITH & FAMILY

### MAPPING AMERICA

Father Would Disapprove of Adolescent Sexual Intercourse  
by Family Structure

### Adolescent Sexual Intercourse and Fathers Response: Analysis by Family Structure

Wave one of the *National Longitudinal Survey of Adolescent Health (Add Health)* found that adolescents aged 13 to 19 in intact families were most likely to feel that their father would strongly disapprove if they engaged in sexual intercourse at this time in their life. [Read more here.](#)

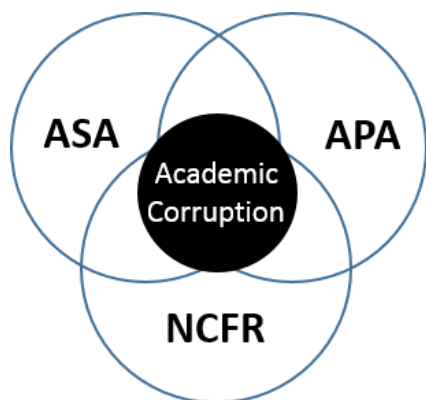

### NOTABLE RESEARCH

#### Is Christianity in Trouble? A look at Pew’s new survey of religious affiliation

“Pew recently released their [religious landscape survey](#), a broad overview of American religious life... Some pundits seized on this news as a wholesale retreat from Christianity. Meanwhile others have taken a rosier view...” Read Austin Institutes’ full analysis of Pew’s research [here](#).

### SOCIAL SCIENCE AND SAME-SEX MARRIAGE

#### Round Two: Decrying a Growing Academic Corruption

“Last week MARRI decried the Supreme Court’s ignoring of the data in the same-sex marriage case. This week we decry a related corruption in *academia*: the project of shutting down comparative research on same-sex couples, marriage, and parenting.” [Read the entire blog post here.](#)
