FAITH & FAMILY

THE POPE, AMERICA, AND THE FAMILY

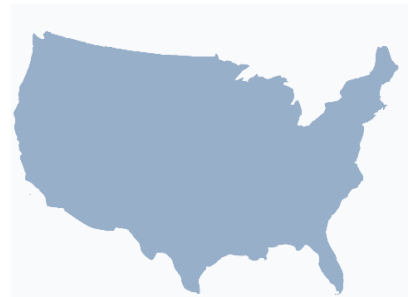

Pope Francis's recent visit to the U.S. and to Cuba was focused, repeatedly, on the family. Read some of the excerpts from his visit [here](#).

NOTABLE RESEARCH: THE INSTITUTE FOR FAMILY STUDIES

When It Comes to Family Structure, The U.S. Is in Trouble

Among the wealthiest nations in the world, the United States is ranked 32nd in the likelihood of children living in two-parent families. Read the entire report [here](#).

MAPPING AMERICA: THEFT AND CRIME

Over time, we have produced several Mapping Americas on theft and crime. Today we present a consolidation, from two perspectives: frequency of religious practice and family structure. See the selection [here](#).
