

Dear Friends:

NOTABLE RESEARCH OF THE WEEK

Marijuana and Alcohol Disrupts Life Milestones

Teenagers dependent on marijuana and alcohol are less likely to achieve important life goals, including marriage and employment, [report](#) researchers from the University of Connecticut.

NEW UPDATE TO MARRIPEDIA THIS WEEK

Effects of Pornography on Marriage

The continuous rise in pornography viewing--a major instigator of divorce—threatens significant consequences for America’s future. [Read more...](#)

BLOG: A World of Order or Chaos

We celebrate the work of [Natural Womanhood](#), whose calling is to tip the world towards the future it needs if it is not to descend into yet more chaos. Every natural family planning method teaches the “how” of going about the marital act but they hide their fundamental purpose: a family built on the unity of wife and husband, and built on the woman’s personal choices.
