

Dear Friends:

NOTABLE RESEARCH OF THE WEEK

Religious People Are More Charitable

Adults who frequently attend religious services donate more regularly and in greater amounts to religious and non-religious charities than those who attend less frequently or never, [report](#) researchers at Giving USA.

New Entry: Fertility Trends

Shifts in family formation have contributed to record-low fertility rates in the United States. [Continue Reading...](#)

BLOG: A Tipping Point in American History: New Forms of Violence

Man thrives when he is loved, and needs love most especially when he is young so that he grows straight up and is not bent over by the burden of neglect. A mature adult grown on love is then capable of giving love in more abundance, 10-fold, 50-fold or a 100-fold. Therefore, the society of the future that will thrive most is the one with the most children growing up with the most love. [Continue Reading...](#)
